MEMORANDUM FOR: Group/Staff Chiefs

SUBJECT : Increase in Average Grade for FY 1972

REFERENCE : Memo, NPIC/D-234/70, Subject: Proposed Increased Average Grade for FY 1972, dated 28 Jul 70

1. The DDI has approved for planning purposes a raise in the Center's average grade for FY 1972 from 9.685 to 9.766. This increase is about 70% of that proposed in the referenced memorandum and allows for upgrading 52 positions. The balance of the proposed upgradings will be considered for FY 1973.

2. The next step is the preparation of the complete T/O for submission with the FY 1972 Office Estimate due to the DDI Planning Office by 31 August 1970. Group Chiefs are requested to identify by position number and type those FY 1971 T/O positions to be upgraded in FY 1972. This information is required by c.o.b. 25 August 1970.

3. The attachment shows the approved number of upgradings by position category for each Group.
